

Arkansas Dietetics Licensing Board

MILITARY MEMBER LICENSURE

Introduction

The Arkansas Dietetics Licensing Board is committed to honoring the service of active and reserve uniformed service members, uniformed service veterans and their families. ARDLB recognizes that these individuals experience unique challenges during the dietetics licensure process. We strive to enhance the licensure process by streamlining certain services to qualified individuals.

The information listed on this site identifies additional support services to assist in understanding the laws associated with respective military designation, streamlining licensure process, obtaining Arkansas licensure, and availability of other important resources.

Military Designation

In addition to the information listed on this page, click the respective link below for information related to an individual's specific military designation status.
