

Fiscal Year 2024 Annual Report

A Note from Our Director

It is a pleasure once again to review and report on the activities of the Arkansas State Board of Pharmacy. I want to repeat some of the same points from years past such as the fact that the Arkansas State Board of Pharmacy has continued to serve the public and our licensees with unparalleled service throughout this time as pharmacies and pharmacy professionals continue to act as a primary point of service for the health needs of Arkansans.

Since our last report, the Board has invested in our own infrastructure and database system to move towards the delivery of an updated system that has much more flexibility for our licensees to interact with our agency and streamline the application and update processes for everyone going forward. The Board has also continued to Build Partnerships for a Brighter Future by working with pharmacies and pharmacists to see how they can better care for patients. In many instances, this has included joining efforts to help educate interprofessional audiences to include both prescribers and dispensers to discuss hot topics such as interruptions in controlled substance supplies to pharmacies in Arkansas. By working with different partners educate on interprofessional issues we all face as part of the healthcare team, our Board hopes to better serve the citizens of Arkansas including the pharmacies and pharmacy personnel that are overseen by our agency.

Once again, it is our honor to serve Arkansas as we continue to explore opportunities to continue our mission to promote, preserve, and protect the public health, safety, and welfare by and through the effective regulation of the many aspects of the drug delivery system.

Sincerely,

A handwritten signature in blue ink that reads "John Clay Kirtley". The signature is fluid and cursive, with the first name being the most prominent.

John Clay Kirtley, Pharm.D.

Dr. Kirtley named as 2024 Thomas E. Menighan Pharmacy Management Excellence Award Recipient

The American Pharmacists Association's (APhA) Academy of Pharmacy Practice and Management has awarded John Clay Kirtley, PharmD, Executive Director of the Arkansas State Board of Pharmacy, with the Thomas E. Menighan Pharmacy Management Excellence Award.

The Thomas E. Menighan Pharmacy Management Excellence Award was established in 2013 as APhA's premier practice management award. It recognizes an APhA member in any practice setting who has distinguished himself or herself and the profession by outstanding performance in the area of pharmacy management.

Kirtley was recognized during the APhA Annual Meeting and Exposition in Orlando in March.

Dr. McCrady named as 2024 John F. Atkinson Service Recipient

Brenda McCrady, Deputy Director of the Arkansas State Board of Pharmacy since 2011, received the 2024 John F. Atkinson Service Award at the National Association of Boards of Pharmacy's (NABP) 120th annual meeting in May for her sustained and significant contributions to the mission of NABP and the pharmacy regulation landscape.

An active NABP member, she has served on several NABP task forces and committees, including the Task Force to Create an Industry Standard for Pharmacy Technician Interstate Portability in 2023 and the Work Group on Workplace Safety, Well-Being, and Working Conditions in 2022. She practiced in community pharmacy for 25 years before joining the board of pharmacy. She is a member of the Arkansas Pharmacists Association and Arkansas Society of Pharmacy Law. She earned her Bachelor of Science from the University of Arkansas College of Pharmacy.

Other Notable Events This Fiscal Year

Roughly 15,000 kits of Naloxone were distributed in November 2023 to law enforcement agencies all over the state. The Arkansas State Board of Pharmacy was on hand for the event to help hand out the kits. In the past, the board has worked closely with the State Drug Director, the Drug Enforcement Administration, and the University of Arkansas Criminal Justice Institute on several Naloxone projects, as well as its Labels Saves Lives campaign, to help raise awareness on the appropriate destruction of unused and unwanted medications.

The Stop Overdose summit had over 1,000 people in attendance on November 8th, 2023.

John Vinson, Pharm.D., CEO of the Arkansas Pharmacists Association and John Kirtley, Pharm.D., Executive Director of the Arkansas State Pharmacy Board, presented on drug supply issues facing our state and had a great turnout in the clinical section as well.

Pictured are (from left) Brandon Holland, Pharm. D., Pharmacy Inspector with the Arkansas State Board of Pharmacy; Heather Porterfield, a local APRN; and Kirtley.

The National Drug Enforcement Administration held its National Take Back Day on April 27th, 2024 so Arkansans could safely dispose of their unused prescription medications. John Kirtley (pictured third from right), Executive Director of the Arkansas State Board of Pharmacy, visited three Take Back Day sites between Maumelle and Little Rock and said they appeared successful. At one event, he even ran into US Congressman French Hill (pictured third from left). Overall, 25,405 pounds of medication were turned in.
