NOTICE OF BID CANCELLATION – DH-23-0008: HIV CARE COORDINATION

Due to Arkansas Department of Health (ADH) irregularities related to the completion of one or more application packets, ADH has determined that it is in the best interest of the State to cancel Request for Applications (RFA) DH-23-0008: HIV Care Coordination. The irregularities prevented one or more respondents from providing answers to all questions within the Information For Evaluation section of the bid.

A new RFA will be posted to the ADH website prior to close of business on Monday, February 13, 2023.

Due to programmatic time constraints, responses to the new RFA will be due by 4pm CT Friday, February 24, 2023.
