

REGISTRATION OF GENERALLY LICENSED DEVICES

GL -	
(to be a	ssigned by ADH

RH-402.a. of the ASBH <u>Rules for Control of Sources of Ionizing Radiation</u> establishes a general license authorizing the use of devices designed and manufactured for the purpose of detecting, measuring, gauging or controlling thickness, density, level, interface location, radiation, leakage, or qualitative or quantitative chemical composition, or for producing light or an ionized atmosphere.

RH-402.c.13. requires registration of devices containing at least one of the radionuclides listed in the table below, based on the activity indicated on the device label. Persons generally licensed by the U.S. Nuclear Regulatory Commission or an Agreement State with respect to devices meeting the criteria in RH-402.c.13.A. are subject to registration requirements if the devices are used in areas subject to Arkansas Department of Health jurisdiction.

CRITERIA FOR REGISTRATION										
Radionuclide	Activity greater than or equal to									
Strontium-90, Radium-226	0.1 millicurie (3.7 megabecquerel)									
Cobalt-60, Nickel-63, Americium-241, Curium-244, Californium-252, other transuranics [i.e., element with atomic number greater than uranium (92)]	1 millicurie (37 megabecquerel)									
Cesium-137	10 millicurie (370 megabecquerel)									

Submit RC Form 510 to the following address within 30 days or as otherwise indicated. Initial registrations should be submitted within 30 days of receipt of the device.

Arkansas Department of Health, Radiation Control Section, General License Registration Program, 4815 West Markham, Slot 30, Little Rock, Arkansas, 72205-3867.

Please submit the **fee** below with the registration form. Note that the fee is charged per facility and is not based on the number of devices possessed. You may pay your fee by check or money order, made out to the Arkansas Department of Health.

Following initial registration, an annual fee will be billed each November for the upcoming year. Annual fees can also be paid online at www.healthy.arkansas.gov.

FEE	
Certain detecting, measuring, gauging, or controlling devices and certain devices for producing light or an ionized atmosphere (including certain ECDs in gas chromatographs)	\$720

For questions, please call the General License Registration Program at (501) 661-2173.

INSTRUCTIONS FOR COMPLETING RC FORM 510

READ ALL OF THE INSTRUCTIONS PRIOR TO COMPLETING THIS FORM.

Review all five sections of this registration form. If you have more devices than space provided in the form, **copy the form before starting, as needed**. Use black ink and print using **CAPITAL LETTERS**. Start information in the first box provided. If the information contains a number with a dash (-) or a decimal point (.), include the dash or decimal point as an individual character. Use the "Ø" character to represent the number 0 (zero).

Verify information about the devices by reviewing the label on the <u>outside</u> of the device. **For safety reasons, DO NOT TRY TO TAKE APART ANY DEVICE to verify this information.** If you are uncertain how to identify the device's label, contact the device's manufacturer or an authorized service agent for this information.

Note to specific licensees: If you believe the device(s) listed on the registration form are possessed under your specific license, then verify the device label does not state the device is subject to a general license. If the labels indicate the device is subject to a general license, then complete the registration form as instructed below. If not, complete the registration as instructed below, however, complete one Section 4 per device transferred to your specific license.

<u>Section 1</u> - General Licensee Information. Provide the requested information about you, the general licensee.

On Page 1, provide the street address/location where your device(s) are stored/used. For portable devices, provide the storage location. P.O. Box addresses are not allowed. Do not write in the box marked "For ADH Use Only."

On Page 2, provide the name, telephone number, and title of the individual responsible for your device(s) and a mailing address where correspondence about your device(s) can be sent. The mailing address should be specific to the physical location where the devices are stored/used. (P.O. Boxes may be used if this is the only available mailing address.) The individual indicated in this section as responsible for your device(s) must also verify and sign the form in Section 5.

- <u>Section 2</u> Devices Subject to Registration, Received From the Manufacturer or Distributor. List each device subject to registration and in your possession that was received from the manufacturer or distributor.
- <u>Section 3</u> Devices Subject to Registration, Received From Another General Licensee or Other Source. List each device subject to registration and in your possession that was received from another general licensee or from another source.
- <u>Section 4</u> Devices Subject to Registration That You Have Transferred. List information for devices that were subject to the General License Registration requirements that have been transferred. Transfers must be conducted in accordance with RH-402.c.8. and c.9.
- <u>Section 5</u> Certification and Signature. The responsible individual must sign and date the certification.
